Dear Joshua.

I see you made the cover of TIME. Congrats! I thought I ought to advise you that I finally finished my PH.D. last August 8. I'm just lazy, that's all. At present I am teaching at the Univ. of Pennsylvania in Phila. here -- we're Ivy League, you know. Well, I'll be here for at least another year, so drop a line -- or if you come to Phila., call me.

My address:

J. EDMAN
512 So 41 ST
PHILA 4, PA
EVERGREEN 2-5242.

How's everything in California?

Regards,

Jack

...CONGRATULATIONS ON YOUR NEW POSITION !!!
