Nissan 27th 5757. 5/31/97 בס"ד

Shalom Annie!

How are you? For a long time, we haven't seen and haven't been in contact, and it's pitty. But we are relatives, although we live so far from eatch other, so there's no reason that we'll hold it also in ours hearts. We have a lot of news, My sister, Judith has four nice kids; the older one is in first class at school, other son a year after, Eitan. Shachar is two years old and Nocham, is six months old.

My brother, Uriel, one of the twins is married for almost two years, and theyg are expecting for a baby in a few months, with the help of G-d. In last few years, I have learned in sereval Yeshivots. One of the places was in Jericho, My friends and I helped to establish that Yeshiva which is located in Jericho in Jordan Valley, and we helped to leave Jericho's old synagogue in Israeli hands, and indeed, there is a lot of activities over there, for example during Pessach many Jews came to spend the holiday, with atmosphare of happines, there, (It is special because, the whole region of Jericho is under Palestinian control now, and Jericho and other places like Hebron and the Yeshivah in Shechem and in cave of Rachel ours mother, in Beth Lechem, are in front line of the Jewish settelments in Israel, and are surounding many arabs and Palestinian Police also). Last month I came back from Hungary, where I spend two months, in a mission of an organization for Jewish and Israeli education among Jewish students there, and we also went on trips in Jewish place in all region. Netanel, the other twin, just have finished his military service, he was in "Golani", one of

→ the best units of I.D.F. while his service
he was in Lebanon, too.

Esthrie ours youngest sister, is learning in the seventh class of highschool in Kiryat-Arba, (an hour from Jerusalem). and she became to be a real nice lady!
I think it is good that you will meet and know family, here. and the land, sloo.

We would love to hear from you and meet you soon! Shalom Velehitra-ot!

Kol Tuv. (all wishes!)
